

The Bridges Program

Individual Coaching from Experienced Cross-Cultural Coaches

Leadership Coaching can help you as a missions leader become more effective in your work, get and stay focused on your core calling, and bring renewed health and balance to all areas of life. The challenge is finding a qualified coach who understands the unique cross-cultural challenges you face – and who you can afford to work with!

At Coaching Mission International, our goal is to build the Kingdom by making experienced missions coaches available to cross-cultural leaders at greatly reduced rates. All of our professionally-trained coaches regularly work with missions leaders from around the world and function under the oversight of CMI's coaching director. This is a unique opportunity for you to access personalized leadership development and support from an experienced coach who shares your passion for missions.

The Goal of This Program

If you are doing missions cross-culturally, preparing to enter the field, or in your first two years of transitioning back home, and do not have coaching available to you through your sending organization, or a partnership with your sending organization, this program is for you! Bridges is intended to provide you with excellent cross-cultural missions coaching, and through you, to impact your team, sending organization and host country as well. The Bridges Program may be an entry point to other CMI services for your team or organization.

Making It Happen

You can start with a CMI coach you already know or we'll match you with a coach that would be a great fit. CMI offers coaches to missionaries for only \$15 per session (professional coaches in North America charge 10 times that amount) for phone or Skype coaching. A coaching contract generally includes two hours of coaching per month. Since our coaches raise their own support to offer you coaching at these greatly reduced rates, availability of coaches may be limited based on funding. (If possible, partnering with your coach to raise that money can be a big help.)

To Qualify you must have – or be able to do – the following:

- Skype
- Broadband Internet connection
- Ability to commit to a minimum of eight sessions
- Pay \$15 per session to your coach
- Pay a \$25/\$15 enrollment fee to get started, plus an annual fee of \$25/\$15 UP FRONT to CMI. (Based on country of origin for those living on reduced support. To determine whether you qualify for reduced fee, see country list below.)

If You Meet These Requirements

- Download and complete the [Application Form](#) from the CMI website, Services 7 Programs page, Bridges Program section, and send to: registration@coachingmission.com
- Have your current CMI coach, a CMI coach you know, or a supervisor or leader in your sending organization download and complete the [Reference Form](#) and send to registration@coachingmission.com
- Pay the \$25/\$15 enrollment fee by going to the CMI website Services & Programs page, Bridges Program section, then follow instructions for making fee payments. To determine whether you qualify for reduced fees, see country list below.

If you have any problems with the enrollment process or questions, let us know by emailing registration@coachingmission.com. We look forward to serving you and impacting nationals together.

Reduced Enrollment and Annual Fee Payments

If your country of citizenship is any of the following, you pay \$25 for enrollment and annual fees. Citizens of all other countries pay \$15.

Andorra	Greece	Portugal
Antigua and Barbuda	Greenland	Qatar
