## **PCT2012: Professional Coach Training**

**Are you passionate about encouraging and equipping new leaders? Have you experienced the joy of coaching others toward greater fruitfulness? Do you want to reach new levels of excellence as a leadership coach? Do you have a vision to empower and develop mission workers and frontline leaders, but are not sure how to take the next steps?** We are excited to announce that CMI Global is again offering its professional - level coach training program, this time in South Asia. The PCT2012 is designed to provide 170+ hours of professional-level instruction in the core skills of Life, Leadership and Cross-cultural Coaching to prepare you as a leader in coaching national workers, missionaries and other leaders. The course consists of 7 modules over 24-months and starts in May 2012

### ***Here’s what you can expect as an PCT Trainee...***

- ☑ **A distance-learning approach** comprised of 7 modules that allows you to participate from anywhere in the world as long as you have phone and internet access.
- ☑ **Learning the concepts and practical skills** of the core coaching abilities, the conversational coaching model, how to coach life purpose discovery, plus the essentials of coaching across cultures and into mission related challenges.
- ☑ **A wealth of open source materials** are used so that you can later on use those same materials to multiply coaching within your sphere of influence.
- ☑ **A variety of learning formats**, including: Teleclasses, Peer coaching, One-on-one coaching, Hands-on experience, Individual study and In-person workshops.
- ☑ **Working with top-level trainers** and learning with veteran missionaries and leaders who understand the challenges of working in other cultures and frontline missions.
- ☑ **170+ hours of high-quality instruction**, and 20+ hours of Personal Coaching.
- ☑ **200+ hours of actual hands-on coaching with troubleshooting feedback** to maximize what you're learning while you're learning it and help you coach more effectively sooner.
- ☑ **A cost that is considerably lower** than comparable coach training programs while offering even more.

### ***What previous Trainees are saying...***

*“How much it has changed my approach to life and ministry! I thought this would be a tool I would use, but it is actually such a whole approach to life that it’s life-transforming.”*  
- Former Mission Area Director for Southeast Europe

*“Excellent use of time and funds. It will be very transformational in impact.”*  
- Regional CP Coaching Coordinator, North Africa

*“This coach training is such a life-giving experience for me. It has put tools in my hand to do what my heart longs to do.”* - Frontline Mission Worker, East Asia

*“This training will help you to grow as a person, get in touch with who you are created to be, and focus your ministry role. All that while you learn how to coach others into the same benefits! It’s a double blessing.”* - National-level Mission Leader

### ***To learn more or apply...***

**If you feel a calling to support and empower frontline missions workers, but need more experience, advanced skills and hands-on training to live out this calling with excellence, this is the training for you!**
